

Thanks to all who participated in the 2011 Apple Cup Junior league. What a wet and wild ride we had. All those involved should be commended for their patience and professionalism as we endured an extremely wet fall season.

Fortunately for us championship day at Heritage High School was dry; there was even a sun sighting or two. The first game produced a competitive result as Mound Time 1 won by a slim margin. That put them into the tournament as the #4 seed and pitted them against academy rival Mound Time 4. With the semi-final match-ups set the day was off to smooth start.

Showtime Blue and Heritage had a seesaw battle won in the late innings by Showtime on field 2. Meanwhile, Mound Time 4 beat their counterpart 12-2 to set the championship game. Game time started at 2:15 pm with the sun basking down on the players and patrons alike.

Mound Time 4 started the game with an early inning rally and never looked back beating Showtime Blue 13-3. Congratulations to Mount Time 4 for a stellar performance throughout the entire year and especially on championship day. We would like to give special thanks to the fans from all the teams who participated. It was nice to have supportive, passionate, courteous people surrounding a great championship day.

Another special thanks to Sharlene and Ron Mason of McG's BB2Go for supplying their delicious food for us. They are becoming a staple at NW Star events.
